

# ACTIVE ALIGNERS

Provider

## Step by Step Guide

### 1. Fill in our onboarding form

Online here: <https://smileclub.co.za/pages/become-a-provider-form> or use the QR code provided)

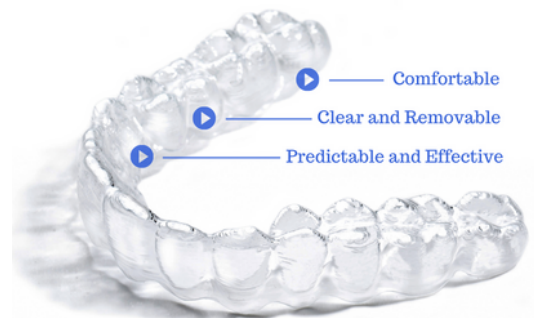

We will then create your online profile on our treatment planning platform (there is no charge for this).

### 2. Complete our online course

If you have no previous experience in aligner therapy, please complete our online Active Aligners course here:

<https://www.smileecademy.com/product/active-aligners/>

(We will send you a coupon to access the course for free when you onboard as a Provider)

## 4. Case Creation

1. You will create the patient's case online.
2. We will then add your scans (or scans of impressions), to the case.

You are welcome to give us a call on 0878078724 and we will help you through the process (We also do provide a guide to case creation available in our Doctors Library).

Please note that all cases that are candidates will automatically be treatment planned. Please refer to our pricelist for treatment planning fee. This will be invoiced whether or not a case is manufactured

## 5. Case Review & Manufacture

Treatment planning takes around 72 hours. A case can be submitted for redesign as often as needed.

Manufacture takes between 7-10 working days.

Please note: manufacture does not begin without both an approval on the platform AND submission of a lab slip.

(Please contact us for the online lab slip link)

## 6. Case Delivery

The entire case is delivered to you in our special packaging. Included are a protective carry case, lip balm, chewies, aligner removal tool, aligner file and a patient instruction booklet.
